

YOU'RE INVITED...

TO SIGN UP FOR OUR NEW PATIENT PORTAL

PrimePATIENT patient portal is a convenient and secure health-management tool you can use anywhere you have internet access. Through Prime PATIENT you can:

- Request an appointment
- Check on your lab results
- Request a copy of your medical record
- Request a prescription refill
- Ask an insurance question

Getting Started

First, call Foxhall OB/GYN Associates at 202-243-3500 to request access to PrimePATIENT. As soon as we have processed your request, you will receive an invitation to create your account.

Accept PrimePATIENT Invitation

1. When you receive your email invitation, click on the **Create My Patient Portal Account** in the email.
2. The Patient Portal signup page will open in your browser.
3. Answer all the security questions and click **Continue**.
4. Review and agree to terms of service and click **Continue**.
5. Verify your username and create your password. Click on **Complete Sign Up**.

You are now ready to login to the patient portal.
